No 30/14 Gandhi Nagar 2nd Street, Choolaimedu, Chennai - 600094

SUMMARY

I am a motivated and detail-oriented computer science student with hands-on experience in front-end development. Proficient in HTML, CSS, and JavaScript, I have applied my skills to develop responsive and user-friendly web applications as part of mini projects. I thrive in collaborative environments where I can continuously learn, refine my expertise, and contribute to impactful projects.

EDUCATION

06/2023 - 06/2026 | Bachelor of Science in Computer Science
Chennai | Shri Krishnaswamy College For Women

SKILLS

HTML CSS JavaScript Java SQL Python Excel

PROJECTS

Calculator

A basic calculator with UI buttons for arithmetic operations and a display for results.

Portfolio Website

A personal portfolio showcasing skills, projects, and contact details with smooth animations.

Student Management System

A CRUD application to add, update, delete, and view student details stored in a database.

Quiz App

An interactive quiz with multiple-choice questions, a timer, and a score tracker.

Library Management System

A system to manage books, users, borrowing, and returning, using MySQL as the backend database.
